

Ethics in Pediatric Physical Therapy Practice

Instructor:

Terry Nordstrom, PT, EdD, FAPTA

Thursday June 13, 2024

6:00pm – 8:00pm

Course Description: This course will address ethical decision-making in pediatric physical therapy practice. The course will use vignettes from clinical practice to guide discussion. The presentation and discussion will use current evidence about ethics and ethical reasoning and the core ethics documents of the profession. This interactive course will use small group discussion to allow participants to explore the clinical vignettes.

Audience: PT's, PTA's **CA CEU's:** pending approval for PT's **Cost:** CPTA members \$25; non- members \$35

Learning Objectives: At the conclusion of the program, the participant will be able to:

1. Demonstrate effective use of a systematic approach to ethical decision making in pediatric physical therapy practice.
2. Apply the APTA Code of Ethics and Guide for Professional Conduct and other ethical principles to ethical issues encountered in physical therapy practice.
3. Formulate an effective response to a commonly encountered ethical problem in pediatric physical therapy practice at the individual level and at the organizational and societal levels.

Course Schedule:

6:00 - 6:45 pm	Introduction to ethical reasoning and ethical reasoning models (45 minute)
6:45 - 7:15 pm	Application to case(s) through guided group discussion (30 minute)
7:15 - 7:45 pm	Large group discussion (30 minutes)
7:45 - 8:00 pm	Summary and conclusion (15 minutes)
